Thank you for your letter of 21 May enclosing correspondence from Kimberley Hyunji Williams, CEO/CSO of In Silico Genesis Ltd, about the Biomedical Catalyst scheme in this Spending Round.

I am pleased to hear of your support and enthusiasm for the Biomedical Catalyst scheme. The Government is committed to placing innovation and research at the heart of its growth agenda and as part of the Spending Round, we are engaging closely with key stakeholders to ensure the UK's scientific excellence helps to drive the economy.

Many thanks for taking the time to show support for the scheme.
